Co-Ed Recreational Tumbling
Class Schedule and Tuition Payment Options
Fall Semester 2007
 (Effective September 4, 2007 – December 22, 2007)

Welcome to Phenomenal Flips Gymnastics USA co-ed recreational tumbling classes! Because consistent weekly attendance is important for children to develop their muscles and gymnastics skills, we require enrollment on a semester basis. Fall Semester's tuition is based on 1 class per week for 15 weeks (Phenomenal Flips is closed Nov 21-24 for Thanksgiving). Tuition based on the same child attending 2 classes per week is also listed as an option. Sign up for the section(s) that best fits your schedule.

Policies:

- An annual registration fee of \$35 per athlete or \$60 per family must be paid in addition to the tuition listed below. Athletes who paid their annual registration prior to fall semester, and whose registrations do not expire during the fall semester are not required to pay any registration fee. Athletes whose current registrations expire during fall semester will be required to pay a prorated fee to extend their registration to December 31, 2007.
- Adding after the semester has started? No problem – we will prorate the tuition for you! Dropping before the semester ends? Let us know (in writing) at least 30 days before your last day so we can adjust your tuition accordingly. You are responsible for payment of tuition for at least 30 days after the date you provide written notice of your impending departure.
- Sibling Discount: The most expensive sibling pays full price; remaining siblings' tuition is discounted by 10%.
- Makeup Classes: If you notify the office 24 hours in advance of a missed class, you may arrange for a complimentary makeup (limit four per child per semester)
- Late Fees: A \$10 late fee will be added to your account for any payment not made as scheduled for your chosen payment option
